

This training guide will walk you through utilizing the spending & budgeting tools available in your financial portal.

These tools allow you to build out monthly spending budgets while also tracking spending habits on your connected transactional accounts.

To analyze spending and budgeting, you must first connect your accounts. Please refer to the Adding Accounts user guide for additional information.

Please Note: By default, your advisor will be unable to see your spending information. To change this setting, modify your privacy permissions located in

Spending & Budgeting

2. The **Spending** page is comprised of 3 sections: Overview, Budgets, and Transactions.

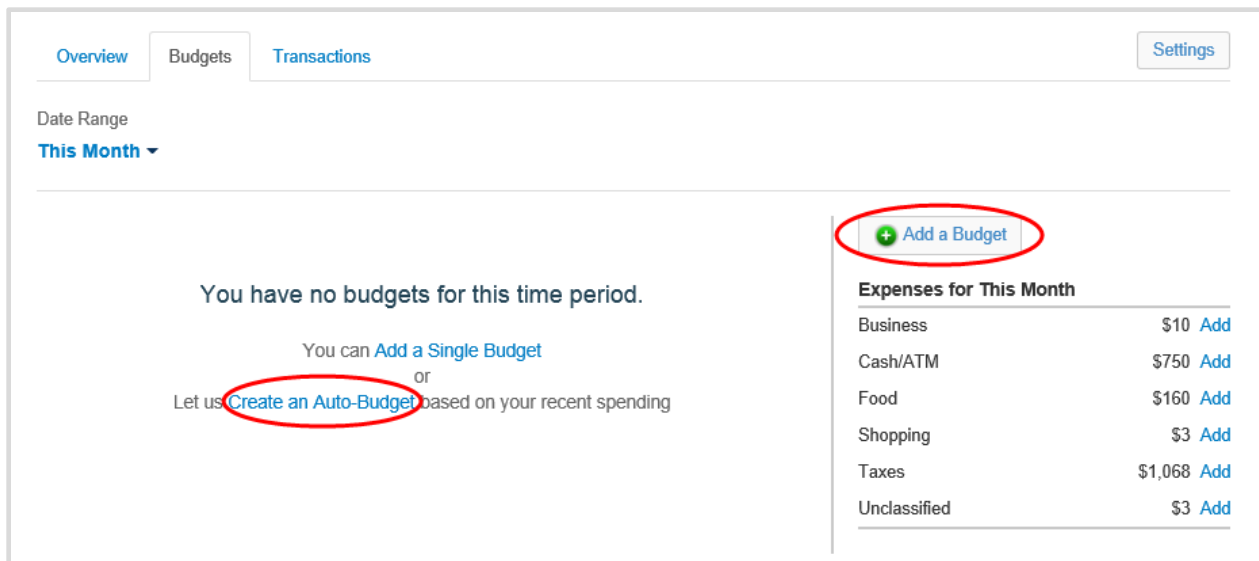

Spending & Budgeting

3. The **Overview** tab shows spending by category over a specific date range. The default view is to view spending amounts **This Month**, by **Category**, and from **All Accounts**. Hover over the pie chart to see how much you've spent in that category. You can also click "**view related transactions**" to see a list of transactions from the specified date range and accounts.

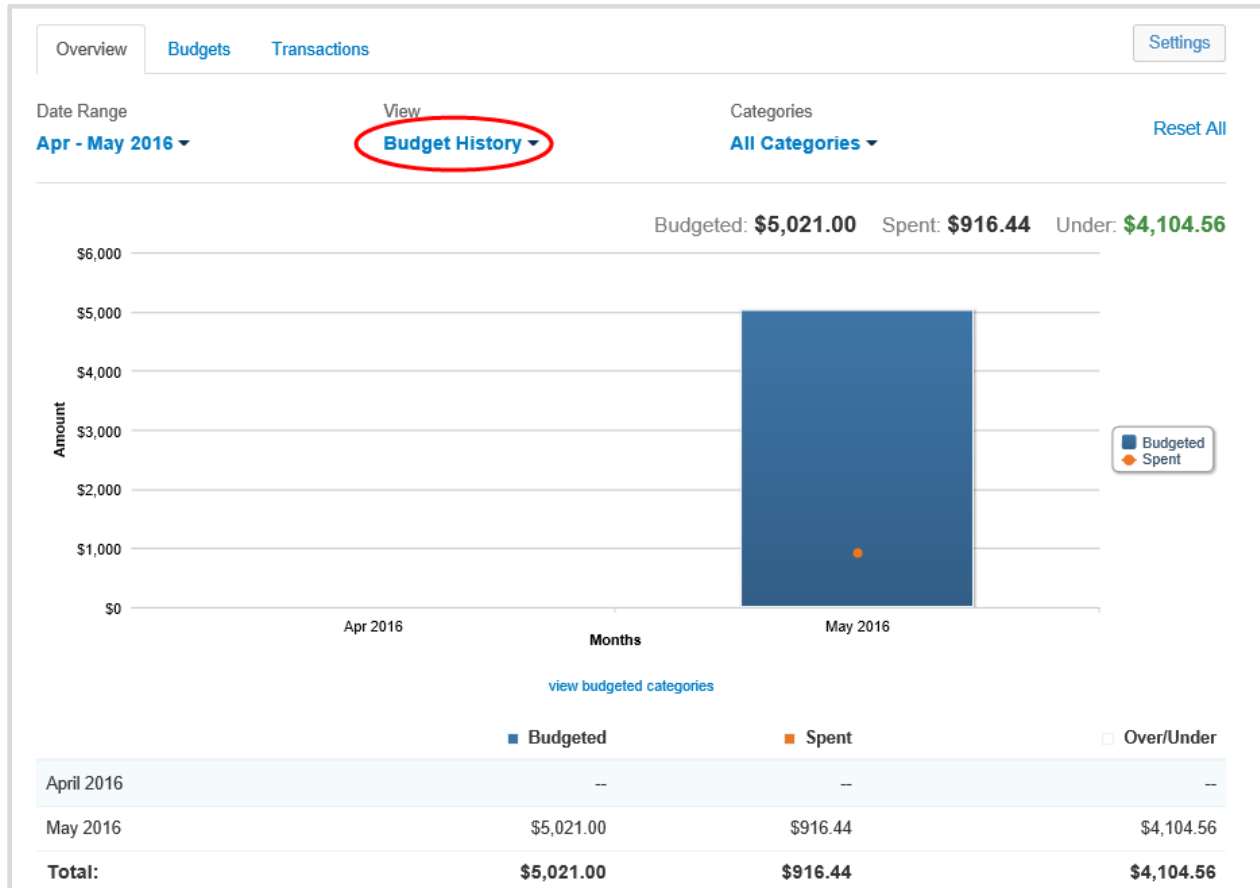

4. The **Budgets** tab allows you to create budgets to help manage your expenses. You can either add budget items one at a time by category, or you can select **Create an Auto-Budget** to view a budget created automatically based on your average spending from the past six months.

Spending & Budgeting

- Once you've added your budget, go back to the **Spending - Overview** tab and select the **Budget History** view to see the amount you've budgeted, the amount you've spent, and whether you're over or under budget.

Spending & Budgeting

6. The Transactions tab displays all bank transactions from your online accounts. The number of transactions found and the total amount will be displayed at the top of your transactions list.

The screenshot shows the emX web interface. The top navigation bar includes Home, Organizer, Goals, Spending (selected), Investments, Vault, Reports, and a notification icon. On the right, there are links for Help, Settings, and Sign Out. Below the navigation, there are tabs for Overview, Budgets, and Transactions (which is circled in red). A Settings button is also visible. The main area contains filters for Date Range (Last 30 Days), Accounts (All Accounts), and Categories (All Categories). A search box for transactions and a Reset All button are also present. A summary bar shows 'Transactions Found: 34' and 'Total Amount: \$8,542.23'. Below this is a table of transactions with columns for Date, Description, Account, Category, and Value.

Date	Description	Account	Category	Value
Aug 20, 2017	CASH WITHDRAWAL	Easy 123 Checking	Cash/ATM	-\$250.00
Aug 19, 2017	STRIDE RITE	*****Card	Clothing	-\$44.19

Aug 16, 2017	STAPLES VALLEY FORGE	Easy 123 Checking	Business	-\$3.22

To make changes to the Description or Category provided for transaction, click the transaction's row and type a new description and/or select a new category from the drop-down.

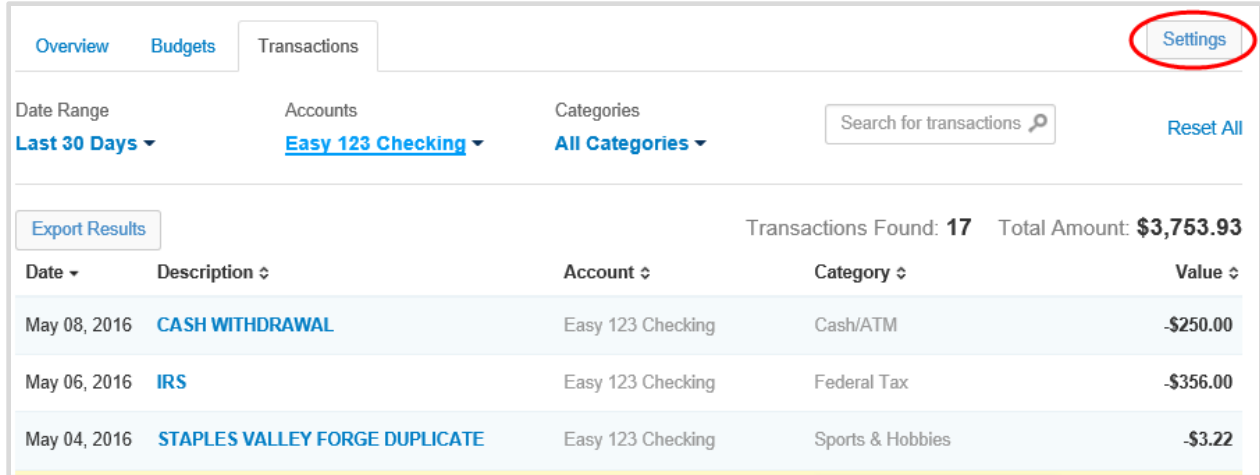

This image shows a close-up of a transaction row from the screenshot above. The transaction is dated May 04, 2016, with a description of 'STAPLES VALLEY FORGE', account 'Easy 123 Checking', category 'Business', and a value of -\$3.22. A red circle highlights the 'Details' link located below the transaction row.

If you want to apply your edits to all similar transactions, you can create a rule. Make the edits to the Description and Category of a transaction. Click Details below the transaction row. Click the checkbox before the rule, and then click Advanced to apply a monetary or date range to the rule using the entry boxes provided. Click Done

This image shows the details and rule creation interface for the transaction. The transaction details are shown at the top, with the category 'Business Supplies' circled in red. Below this, there is a 'Details' section with a 'Split Transaction' link. The 'Rule' section contains a checkbox, a text input field with 'STAPLES VALLEY FORGE', and a 'Manage Rules' link. At the bottom, there is a 'Hide this transaction' checkbox and a 'Done' button circled in red.

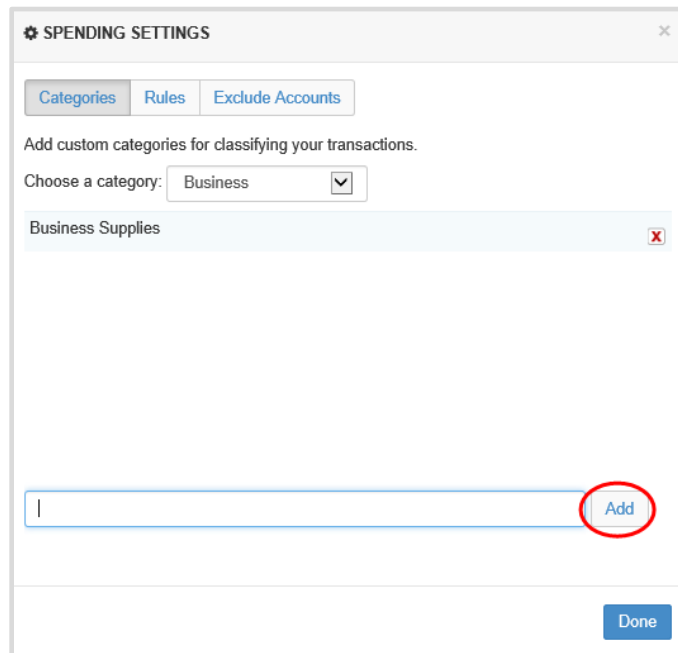

Spending & Budgeting

- If you can't find the category you're looking for, you can create new subcategories by clicking settings at the top of the budgeting page. Choose the parent category, type in new sub category and click **Add**.
